End of list. There are 4 pages. P. 2 is often overlooked.

We can best serve visitors Wednesday and Thursday.

During rush season we can not dig for drive-in. Please order
in advance and pick up on an arranged date.

POLYETHYLENE(plastic) laminated paper will be used to wrap your
plants beginning this Fall. For technical and mechanical
reasons, we supplement the plastic with a double sheet of
never-used newspaper.

We do not retail.

Visitors are always welcome.
